<p>Radio Interview</p> <p>Male (Interviewer): Okay, I need you to acknowledge on the record that you know that this is being recorded.</p> <p>Bernard Cline: Okay, I know it's being recorded.</p> <p>Male (Interviewer): I know it's silly, but the law says that when there are two people face to face, that both people have to agree that it's being recorded.</p> <p>Amy (Andy) Michelle Field: Okay.</p> <p>Male (Interviewer): Um, that way nobody's in trouble with it.</p> <p>Amy (Andy) Michelle Field: Right.</p> <p>Male (Interviewer): So, the big question that Susan sent me over here with is what were you hoping to accomplish with this protest?</p> <p>Amy (Andy) Michelle Field: Um, de-brainwashing the youth. That was our main goal. Um, I don't know if you read the flyer?</p> <p>Male (Interviewer): No.</p> <p>Amy (Andy) Michelle Field: I could grab it, grab you a copy of it. It's really good. Um.</p> <p>Male (Interviewer): Can you e-mail the flyer to me?</p> <p>Amy (Andy) Michelle Field: Um...</p> <p>Male (Interviewer): You guys have it in PDF?</p> <p>Amy (Andy) Michelle Field: I hope we still do. I'm sure we do. I, I'll have to think.</p> <p>Male (Interviewer): I mean, if not I can take it.</p> <p>Amy (Andy) Michelle Field: Well, yeah. I'm just going to write off, I'll find it.</p> <p>Male (Interviewer): All right.</p> <p>Amy (Andy) Michelle Field: I know I had it somewhere. I just, um, we did it, um, the flyers are done from a Christian perspective. Um, it's actually done in a way that, um, okay, so being that like my, my and a lot of other people that were involved in this' history</p>	<p>1 fair time for me to answer that question besides to say direct action makes people nervous,</p> <p>2 um, just like direction conversation makes people nervous. A lot of people will shy</p> <p>3 away or slump away when somebody says something racist to a white male homophobic, um, and</p> <p>4 I am saying, I think this group is to let people know we're not going to let people get</p> <p>5 away with things like that. This group, activist church actively teaches hatred. It</p> <p>6 actively teaches organizing to brainwash queer people back into the closet, ruining their lives</p> <p>7 and ruining their families and we're not going to stand for that. We're not going to</p> <p>8 stand by and, you know, like just talk about how we don't like it. We're going to go and</p> <p>9 actually do something about it. I think, I, I think I can see where it's going to make people</p> <p>10 who are just, I guess un-confrontational uncomfortable, but I just, I just don't care if</p> <p>11 they're condemning it. We have a lot of institutionalized stuff that I don't agree with.</p> <p>12 Male (Interviewer): Like what?</p> <p>13 Amy (Andy) Michelle Field: I don't know. Just like, um, I need to wake up or think this</p> <p>14 over before I answer this question.</p> <p>15 Male (Interviewer): Okay.</p> <p>16 Amy (Andy) Michelle Field: Um, well for one, the GLBT alliance, I've never felt,</p> <p>17 includes the T anyway. Um, it's not really, it's not really a space that I felt safe a</p> <p>18 transperson. There wasn't space that I felt actually included, space for me. Um, so I guess I have</p> <p>19 a personal issue with it there. Beyond that, um, I don't believe with working, working</p> <p>20 within lobbying or, um, like directly within the system like that is really where I fit or</p> <p>21 where I, where, what is the most, what is the most effective. Um, so, whatever.</p> <p>22 Male (Interviewer): Okay, um, Bash Back obviously creates an image, a violent image.</p> <p>23 Amy (Andy) Michelle Field: Sure.</p> <p>24 Male (Interviewer): Um, is there an intent or would there have been an intent to hit</p> <p>25 somebody, done something, placed hands on you all, that somebody would've become violent?</p>
Page 2	Page 4
<p>1 is in the church. Um, we were raised in evangelical churches just like that one. Um, or</p> <p>2 even at that one, for some of us. Um, we really wanted to talk with the youth there and</p> <p>3 in the most effective way possible, tell them that it's, at least plan to see that it's</p> <p>4 okay to be queer, it's okay to come out. And so the flyers' done from a really moderate</p> <p>5 perspective. It's really chill; it's really calm, um, and it's just, and it even, even</p> <p>6 says in it, um, um, you know, what the ultimate commandment that Christ taught us was love</p> <p>7 and all this, you know? So, uh, that was the main deal was to kind of like, like, I don't</p> <p>8 know, kind of nicely de-brainwash. So, I mean, the action itself was-there's a saying, it's</p> <p>9 so much more relative than it was. I mean, like, yes it was loud, um, but we mixed, um,</p> <p>10 kind of like shock value with a really like nice softness that, um, like for example,</p> <p>11 the banner said, "It's okay to be gay." It didn't say anything about like smashing or like</p> <p>12 hurting anybody like everybody keeps saying we were violent and we weren't.</p> <p>13 Male (Interviewer): Okay, well the press release that I got from you, or the story that</p> <p>14 I got from you said the banner said, "It's okay to be gay. Bash back."</p> <p>15 Amy (Andy) Michelle Field: Well, Bash Back is the name of the group, right? So I guess</p> <p>16 you could take it that way.</p> <p>17 Male (Interviewer): Um, so we, um, got a statement from the Alliance of Lesbian, Bi, Gay,</p> <p>18 Transgender Students.</p> <p>19 Amy (Andy) Michelle Field: Right.</p> <p>20 Male (Interviewer): And they're actually condemning the action.</p> <p>21 Amy (Andy) Michelle Field: That's fine.</p> <p>22 Male (Interviewer): Um, do you understand why some people are concerned about how this</p> <p>23 action may impact the LBGT movement? And what do you say to those people?</p> <p>24 Amy (Andy) Michelle Field: Well, I know, I haven't, I mean, I haven't had a chance to</p> <p>25 think about it besides it being tossed at me right now, so I don't know if it's a really</p>	<p>1 Amy (Andy) Michelle Field: I'm not going to answer that.</p> <p>2 Male (Interviewer): Okay, that's fair. I mean, I have to ask the question.</p> <p>3 Amy (Andy) Michelle Field: Yeah.</p> <p>4 Male (Interviewer): You understand.</p> <p>5 Amy (Andy) Michelle Field: That's all right.</p> <p>6 Male (Interviewer): Um, does, I mean, Bash Back hearkens back to the queer national</p> <p>7 days with the Queers Bash Back slogans where they actually had, uh, street groups that</p> <p>8 would wander the streets in (Inaudible word) Street in New York City taking out bad bashers.</p> <p>9 Is that something that Bash Back has looked at or is considering?</p> <p>10 Amy (Andy) Michelle Field : I think that we're proud of our history and where we came</p> <p>11 from, but I don't think that that, that's going to necessarily determine anything that we</p> <p>12 do now or, um, in the future. We're our own group and we'll see where we go on our own. (</p> <p>13 Coughs)</p> <p>14 Male (Interviewer): Have you had any responses from the church itself?</p> <p>15 Amy (Andy) Michelle Field: We have had, um, a few responses from people who got the</p> <p>16 flyers that are interested, yes. Um, we noticed quite a bit of youth, I don't know if I'm</p> <p>17 going to give this away to the church that they're cracking down or something. We did notice</p> <p>18 quite a bit of youth, um, stuffing the flyers into their pockets as quick as they could</p> <p>19 before they got taken away, which was the point.</p> <p>20 Male (Interviewer): Okay.</p> <p>21 Amy (Andy) Michelle Field: Um, yeah.</p> <p>22 Male (Interviewer): And where will you send these youth to, to address these-I mean,</p> <p>23 obviously I know Mount Hope Church. They've been a nemesis of mine even since the '90's. I mean,</p> <p>24 I took them on over the issue of HIV/AIDS.</p> <p>25 Amy (Andy) Michelle Field: Nice.</p>

Page 5	Page 7
<p>1 Male (Interviewer): Back in the 90's and we passed on condoms in the middle of own of</p> <p>2 their-</p> <p>3 Amy (Andy) Michelle Field: (Chuckles) Nice.</p> <p>4 Male (Interviewer): So, you know, because they were defining abstinence as no sex</p> <p>5 outside of marriage, which is not abstinence.</p> <p>6 Amy (Andy) Michelle Field: Right.</p> <p>7 Male (Interviewer): Um, but, um, when, what resources are you offering these people who</p> <p>8 are coming to you from this church?</p> <p>9 Amy (Andy) Michelle Field: Um, mostly like everything from like one on one counseling</p> <p>10 via e-mail to in-discussion to, um, like website referral, book referrals, to like</p> <p>11 actually getting involved with the group eventually, if that's what they choose to do. Um, yeah.</p> <p>12 I think the most like, the most important thing that this action like that this</p> <p>13 brought, the first step of someone actually reading that flyer and even for one second</p> <p>14 thinking about it. Like, like I think back to my youth and others that I know, um, that</p> <p>15 would've been absolutely life changing. If I had something like that happen, even if I hadn't</p> <p>16 contacted or if I had contacted and I had had barely any response or decided not to be a part of</p> <p>17 their group, but I had at least taken that step, I think that would've been the first</p> <p>18 step in a long process of life change for me that probably would've gone a lot sooner than</p> <p>19 it did. Um, so I think in that sense it can be effective.</p> <p>20 Male 2: So you'd know that you weren't so alone?</p> <p>21 Amy (Andy) Michelle Field: Yeah, yeah.</p> <p>22 Male (Interviewer): Now I understand that, um, Eaton County Sheriff's were called.</p> <p>23 Amy (Andy) Michelle Field: Okay.</p> <p>24 Male (Interviewer): And that they talked to some of the protestors.</p> <p>25 Amy (Andy) Michelle Field: Right.</p>	<p>1 Amy (Andy) Michelle Field: Um, that's part of the point of the way that we work that</p> <p>2 there was no way that that could've happened. Um, it was all timed right. Um, we've,</p> <p>3 everything, everything that we had, everything that we had was a split second. It was very, very</p> <p>4 fast. It was too fast to even necessarily know what was going on before it was done and</p> <p>5 then we were gone. So I mean it was, yeah, there was no time. We kicked ourselves out. Not</p> <p>6 that security wasn't completely on our assess, because they were when we getting out, but</p> <p>7 diversion worked well.</p> <p>8 Male (Interviewer): Um, do you anticipate more actions like this in the future?</p> <p>9 Amy (Andy) Michelle Field: Um, I anticipate we're going to get more and more creative.</p> <p>10 I have no idea with what exactly is going to happen next. I think, I would, I would be</p> <p>11 surprised if we didn't do something completely different next time.</p> <p>12 Male (Interviewer): Anything else you want to add that I missed that I didn't touch on?</p> <p>13 Amy (Andy) Michelle Field: Um, just that, um, something that I think is really, really</p> <p>14 cool that we've decided, that we agreed to get out, um, is the diversions that we used, um,</p> <p>15 which was really cool; like the, um, and you know, we talked about that extensively as</p> <p>16 to whether or not to move at least through exactly how we did it but, um, we decided to</p> <p>17 because we think it'll inspire other people. But, um, basically we had two groups. You know,</p> <p>18 we had the inside group and the outside group and the outside group's specific job was,</p> <p>19 and so everybody keeps pointing to them and saying, (Inaudible words) blah, blah, blah.</p> <p>20 Their job, they didn't do anything illegal. Their job was to look scary and look like kind</p> <p>21 of exciting to pull security outside so that we were able to do our job safely without</p> <p>22 being attacked and it worked like a charm. It was really (Inaudible word) when we went, so</p> <p>23 that's good.</p> <p>24 Male (Interviewer): Um, actually one more question in the City Pulse, one of the</p> <p>25 ministers says that he wished that all of you had been arrested because you violated their civil</p>
Page 6	Page 8
<p>1 Male (Interviewer): Were you one of the protestors that they spoke to?</p> <p>2 Amy (Andy) Michelle Field: I'm not going to answer that. So while, (Clears throat) I</p> <p>3 guess I should-</p> <p>4 Male (Interviewer): I mean, I just want to know what the Eaton County Sheriff's.</p> <p>5 Amy (Andy) Michelle Field: Right, I know what happened. Um, they showed up because of a</p> <p>6 fire alarm had been pulled, which was not by us. We believe that, um, what actually</p> <p>7 happened there was that a Christian, somebody in the church, was really scared of us and went</p> <p>8 and pulled it to try to get us out and didn't know it was a silent alarm. That's what the,</p> <p>9 at least that's what the-and this is all according to what the police said. I don't</p> <p>10 actually know if the fire alarm was actually pulled or if this is something that like the</p> <p>11 church is saying, um, because I don't know-I feel, I find it really hard to believe that</p> <p>12 there would be a silent alarm there because there is like a whole kid's wing and like a</p> <p>13 whole giant sanctuary full of people, so I don't, I don't know if that's actually true. But</p> <p>14 if it is, whatever. That was not by our group; but that's what called the police,</p> <p>15 supposedly. That's what they said.</p> <p>16 Male (Interviewer): Did fire trucks show up?</p> <p>17 Amy (Andy) Michelle Field: No, no fire truck. Just like four police cars. (Clears</p> <p>18 throat) And from what I understand what the police said to people was that, um, that they</p> <p>19 were, from my understand, they came and told people they were trespassing, but everyone</p> <p>20 said we haven't been asked to leave, which was true. Um, nobody was asked to leave. As soon</p> <p>21 as the police said, "Okay, well all the church would like you to leave," everyone left,</p> <p>22 immediately. And we were told that we couldn't come back and we were perfectly calm</p> <p>23 with that, perfectly fine with that.</p> <p>24 Male Interviewer): If they'd had told you when you started the protest you have to</p> <p>25 leave, would you all have left?</p>	<p>1 rights. Do you have a response to that?</p> <p>2 Amy (Andy) Michelle Field : Um, they violated my rights as to be a human being every</p> <p>3 single time. They teach, they teach these sad lessons that lead to, you know, queer bashing</p> <p>4 and murder and rape and, you know, even worse than all of those things, a hatred of</p> <p>5 yourself and assimilation into their, um, idea or way of life until you either commit suicide</p> <p>6 or spend your life hating yourself, a life of guilt. Um, so I really, I'm not concerned</p> <p>7 with their civil rights. I'm concerned with what they're doing to the youth. Um, and my</p> <p>8 response to all of us being arrested, we didn't do anything that deserved being arrested. I</p> <p>9 certainly don't think we did anything that deserved being locked in a cage, um, and I think he</p> <p>10 can just calm down and deal, and deal with the fact that it happened. And try and pick up</p> <p>11 his sheep, gather the sheep.</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
